MEMORANDUM

TO: Fred N. Rubel, Chief *(70) 6-10-82*
Emergency Response and Hazardous Materials Inspection Branch, U.S. EPA

FROM: Trudi J. Fancher, TAT II *Trudi J. Fancher*

SUBJECT: Revision to SPCC Inspection Report of the Chevron Chemical Company,
TDD #2-8110-28.
South Plainfield, N.J.

DATE: May 14, 1982

As has been requested, the original Chevron Chemical Company SPCC report of December 7, 1981, has been revised to include information pertaining to total oil storage at the facility.
